

CYBER SECURITY & PRIVACY FORUM 2014

(CSP FORUM) 21st - 22nd May, Athens, Greece

CSP FORUM: ATHENS, GREECE

FUTURE EU CLOUD SECURITY
AND DATA PRIVACY ISSUES

CSP FORUM CONFERENCE IN PARTNERSHIP WITH PRIPARE

CSP Forum Conference 2014

Cyber Security and Privacy Forum 2014 focuses on disseminating the potential innovation market opportunities and impact of EC funded Cybersecurity and Privacy research activities. Working towards increased uptake of technological Cybersecurity and privacy research breakthroughs, actively encouraging innovative enterprise to look to exploit real commercial potential coming from such ongoing cutting edge research outputs, aligning with the H2020 initiative. This is an opportunity for both Industry and funded EU research projects to come together as a community to network, disseminate and highlight potential innovative outputs from current ongoing research activities.

Venue

ATHENS: 21st -22nd May

The CSP Forum conference 2014 will co-locate with The Annual Privacy Forum 2014.
